

## IRON STAR CODE

NAME: \_\_\_\_\_

**GOAL:** To revise and gain ownership of the Iron Star Code. Through an individual, small group and whole team collaborative process you will communicate, discuss and create a vision of what the new IRON STAR CODE and the 2015 SCN Football Team will be.

**Directions:** Individually think about what each tenant of the IRON STAR CODE means and then write one supporting statement on what it should look like for our team this year.

**Example:** Selflessness: you will see players this year, playing for the name on the front over the name on the back
